BARNES CHARITY BALL 2017

This year's Barnes Charity Ball experienced the excitement of the carnival with gorgeous girls, samba, drums, feathers, dancing and glittering people.

Our 250 carnival-goers dressed up for the occasion with amazing costumes ...

... and a diamond raffle prize presented by
Roger Taylor of Duran Duran with Nina

After a sumptuous dinner in a spectacularly decorated St Mary's, TV presenter Jonny Gould conducted the open auction with wonderful prizes . . .

. . . and guests were entertained with glittering dancing from the talented artists of Oi Brasil dance troupe before dancing the night away to the music of Viramundo.

The Ball raised over £50,000 for local, international and church charities. . . .
with many thanks to everyone involved from the Ball Committee
