BARNES
CHARITY BALL
2019

This year's Barnes Charity Ball spiced up the new year with a magical evening of exotic food, special wines, fortune-telling, belly-dancers, fantastic decorations and a wonderful selection of auction prizes.

Welcomed to a specially-lit St Mary's Church for a Chapel Down sparkling reception by the Charity Ball Committee and their young raffle-prize sellers ...

... with everyone dressing for the theme of Arabian Nights

Entertainment by the Arabian Nights Dancers showed off their belly-dancing skills with fans and fire-eating

A sumptuous dinner of Mezzo, Moroccan Lamb, Arabian Desserts and Turkish Delight was followed by auctioneer Jonny Gould leading a most successful auction with many attractive prizes ...

... and then dancing into the early hours with percussionist Stefano Cestra and DJ Dan Healy

Many thanks to all the guests who contributed to raising over £30,000 for the charities Association for Post Natal Illness, Under Tree Schools, Castelnau Community Centre, Open Door Homeless and the Friends of St Mary's Barnes.
